Experience

Mr. We has been involved in the engineering and construction industry prior to moving and settling in the United States. One of the major projects he was involved in was the construction of the Sultan's Palace in Brunei in 1981-1984. He was part of the Engineering Management and Support for the General Contractor in facilitating the timely completion of the Project.

Since moving to the United States in 1987, Mr. We has intensely focused in the electrical engineering and consulting field. To date, he has obtained extensive experience and provided outstanding services in the electrical design and engineering of various types of facilities.

His recent projects include:

- Dover Elementary School - Richmond, CA
- Urban Promise Academy New Multipurpose Bldg - Oakland, CA
- Havenscourt Middle School - New Health Clinic - Oakland, CA
- Skyline High School - New Health Clinic - Oakland, CA
- Elmhurst Middle School - New Health Clinic - Oakland, CA
- Frick Middle School - New Health Clinic - Oakland, CA
- Mission Valley Regional Occupational Program - Fremont, CA
- Walnut Creek Ford - Walnut Creek, CA
- Mission Bay Block 28 Office Building - San Francisco, CA
- Mission Bay N2P1 High End Residential - San Francisco, CA
- Sony Metreon - San Francisco, CA
- Regional Cancer Center - San Pablo, CA
- St. Mary's College - Moraga, CA
- War Memorial Building - Daly City, CA
- North Oakland Senior Housing - Oakland, CA
- Fremont Park Housing - Fremont, CA
- Folsom and Dore Apartment - San Francisco, CA
- Ritz Carlton Hotel - San Francisco, CA
- Highland Elementary School - New Classroom Building - Oakland, CA

Mr. We has extensive educational facility experience and is knowledgeable with DSA, CA Title 24, California High Performing Schools (CHPS), and LEED requirements.
